My Sharing on TV Programmes

I want to watch *Thomas & Friends* because I like watching cartoons. I think they are funny. I want to watch *MasterChef Junior* too because I like watching cookery programmes. I can learn how to cook delicious dishes. On the other hand, I don't want to watch *News At Seven-Thirty* because I don't like watching the news and weather report. I think it is boring. I don't want to watch *Running Man* either because I don't like watching game shows. I think they are silly.
