Dear Mr. LEUNG Yu Fai, Principal,

It gives me a great pleasure to share a piece of good news with you about one of your former graduates, ZHENG ZHI (鄭智). He has recently graduated from our school and received an offer from HKU SPACE Community College in Associate of Engineering.

I am sure that you will find Zheng's success as inspiring as we do. We are very grateful that you entrusted him to us after he graduated from your school. We hope that he will treasure what he has learnt from both you and us. We also hope that he will be an outstanding youth who contributes meaningfully to our society in the future.

God bless.

Best regards,

Mr. Shum Ming Fai Sammy
Principal
