Part A (My Favourite Food) 100% @4%

I like sweet food and salty food. I think they are both delicious.

Ice cream is my favourite sweet food but I don't often eat it. Sometimes mum buys me an ice cream in the supermarket because I am doing well.

Pizza is my favourite salty food. I think pizza is yummy. I like putting cheese and tomatoes on it. I want to eat it every day but mum says it is too oily.
