P.4 Dictation (3)

Part A (100%)

Grandma's childhood

Grandma was born in China. She lived in a small hut. She was lucky when she was small because she could go to school. After school, she played hopscotch and hide-and-seek with her friends on the street. There weren't any electronic games or smartphones. However they enjoyed playing and chatting with friends. Sometimes she went to the market. She helped her mum buy fresh food.
