### Part A

#### Good Behaviour

We are good children so we should behave well.

At school, we should get to school on time. We should keep our school uniform clean and tidy. We shouldn't speak to the teachers rudely. We should be friendly and helpful to our schoolmates. We shouldn't talk in the library.

At home, we should help with the housework. We should listen to our parents. We should eat quietly and slowly. We should do our homework carefully and finish it neatly and patiently. Then we can be good children.
