### Part A

#### Advice for Good Manners

It is important to behave well at home and when we are in public places.

We should behave nicely at home. We should not shout at our brothers or sisters. We should talk to one another and take care of one another.

We should have good manners in public places too. We should eat quietly in the restaurant. We should also speak politely to the waiter. We should say 'please' and 'thank you'. We should not talk loudly on the phone. It is rude.

We should behave well both at home and in public places.
