Part A

Our Interview with Miss Lam

Last Monday we asked Miss Lam about the places she has visited in the New Territories.

Miss Lam has been to Hong Kong Wetland Park twice. She went there in December 2017 and again last month. She took a tour of the wetlands and she went to the visitor centre. She thought the information in the visitor centre was very interesting.

Miss Lam has never been to Sai Kung. She wants to go there but she does not have time. She wants to do water sports there.
