Dictation (8)

Part A: Vocabulary (20% @4%)

1. turn down the air-con	2. have baths	3. bring your own bag	4. have showers
5. turn off the lights	6. use tissues	7. leave the tap on	8. waste energy

Part B: Paragraph (60% @3%)

Save our Earth!

It's as easy as A-B-C.

Saving our Earth starts with you and me.

We must all reduce, recycle, reuse.

Save the Earth or lose it? You can choose.

Stop throwing away things that others can use.

Children in poor places need your old clothes and shoes.

So many new things can be made from paper, bottles and tins.

Remember to put them into blue, brown and yellow bins.

There is so much more that we can do.

Your children's children will thank you.
