Dictation (1)**Part A: Paragraph (100% @3%)****My Dream Job**

I want to be a reporter when I grow up. I want to be a reporter because I am outgoing. I enjoy meeting and talking to new people.

If I become a reporter, I will interview famous people and find out more about them. I will travel around the world to report on different interesting events too.

Reporters need to be good at writing so that their articles are interesting to read. They cannot be shy because they need to make conversation with other people.

I hope I can be a reporter when I grow up.
