Chinese Pull-out Class

8th September, 2025

Dear Parent,

Your child has been chosen to join the Primary 5 Chinese Pull-out Class (**5CS**) this year. It aims to enhance your child's Chinese language ability by providing a low student-teacher ratio with a maximum of 7 students. The medium of instruction is in Cantonese. In the class, students usually leave the regular classroom to work with other students of similar ability. Teachers design different learning tasks and adapt the curriculum in order to facilitate Chinese learning.

If you have any enquiries, please feel free to contact Ms. Cheung at 2420 3186.

Yours sincerely,

Leung Yu Fai
Principal
